What is drawing you to join us? Anything in particular you are hoping to discover, learn, create or achieve?

What is it you most want to shift in your life right now?

What are the biggest challenges that have been affecting your life?

List 5 qualities you appreciate most about yourself and 5 things you struggle with.

Please give a summary of your experience in women's circles /groups, self-development or other similar offerings you have attended in the past.

The group activities may include some physical activity (some meditations, exercises and dancing). Please let us know if this will present any difficulty for you.

Is there any other background information that would be relevant for me to know? e.g. work, health or relationships, etc.

Thank you for taking the time to complete this questionnaire!
